## SCHOOL REPORT.

---

During the past year all the schools in town, except No. 4, had thirty weeks for their school year. No. 4 school was in session in the fall only, as there were so few pupils in the district in the spring and winter terms that they were transported to No. 3.

The number of tardy marks in some of the schools is very noticeable, and in most instances they might have been avoided. If parents could realize how much benefit to the schools and to their children their visits to the school-room would be, we should find a larger number of visits recorded.

The new schoolroom at the Centre schoolhouse was used in the fall and winter terms, twenty-nine different pupils having entered the grade for which this room is used. Other pupils from the primary school and from other parts of the town will enter this grade in the spring.

Below we give school expenses for the years 1898 and 1899:

|                                       |                   |
|---------------------------------------|-------------------|
| School appropriation for 1898,        | \$1,800 00        |
| School supplies for 1898,             | 187 78            |
| Enumerating school children,          | 15 50             |
| Total for 1898,                       | <u>\$2,003 28</u> |
| School appropriation for 1899,        | \$2,000 00        |
| School supplies for 1899,             | 69 27             |
| Enumerating school children,          | 8 00              |
| Total for 1899,                       | <u>\$2,077 27</u> |
| Total for 1898,                       | <u>2,003 28</u>   |
| Balance for 1899, over that for 1898, | <u>\$73 99</u>    |

These figures show that although the school appropriation for 1899 was larger (in order to fit up the new schoolroom), yet enough has been saved on school supplies, etc., so that the town has really paid for school expenses in 1899, only \$73.99 more than was paid for the preceding year. The school supplies for the past year cost over \$100 less than for either of the two preceding years.

The following is the account for school supplies for the year ending Feb. 15, 1900:

|   |         |
|---|---------|
| E. E. Babb & Co., general supplies and text books,  | \$51 03 |
| Thompson, Brown & Co., arithmetics and bookkeeping, | 8 75    |
| Maynard, Merrill & Co., supplementary reading,      | 5 29    |
| Freight and express,                                | 4 20    |
|   | <hr/>   |
| Amount paid by town,                                | \$69 27 |
| Amount received for supplies sold,                  | \$1 03  |

The transportation question is a difficult one to meet, and it would best be solved by a town vote for the mileage system. School attendance could be better regulated by a town vote also.

The question of employing a superintendent of schools is being discussed by most of the New Hampshire towns around us. A law passed at the last session of the New Hampshire state legislature gives state aid for this purpose, and the subject should receive the earnest consideration of all who are interested in making our schools what they ought to be.

| Cash on hand, January 1, 1900,                 | 30 44    |
|  | \$543 99 |

There is the sum of fifty dollars (\$50.00), yet due the Mrs. C. E. Ware fund, as we were only able to place during the year one hundred and fifty dollars (\$150.00) to the fund, owing to the fact that we received from the town

only three hundred and fifty dollars (\$350.00), instead of four hundred dollars (\$400.00), as expected. The interest from the note of the town could not be included in the appropriation.'

HERBERT I. WALLACE,  
Treasurer.

REPORT OF  
THE TRUSTEES OF INGALLS MEMORIAL LIBRARY,  
FOR THE YEAR ENDING JANUARY 1, 1900.

---

The trustees of the Ingalls Memorial Library beg to submit to the town of Rindge the report of the library for the year ending January 1, 1900.

They wish to call attention to that portion of Miss Leighton's report which refers to the Paris Exposition, as it is very gratifying to feel that our work has been so successfully conducted as to be worthy of public recognition. We are confident that the town will feel more than ever sure that the public funds have been well spent.

Nothing of especial importance has occurred during the year, but we must ask for the annual appropriation of two hundred dollars from the town, which will enable us to purchase the new books necessary, and in addition fifty dollars to pay the amount yet due the Mrs. C. E. Ware fund, as stated in the report of the treasurer.

MARY L. WARE, Secretary.  
EZRA STEARNS.  
HERBERT I. WALLACE.

## REPORT OF

LIBRARIAN OF THE INGALLS MEMORIAL LIBRARY,  
FOR THE YEAR ENDING DECEMBER 31, 1899.

As we submit the annual report of the library, it is with the conviction that the institution is fulfilling the purpose intended by its donor and its guardians, the trustees and the townspeople. The work done by the library has met with very complimentary notice by the New Hampshire library commissioners, and it is with much satisfaction that we announce the invitation received from the United States Commission to the Paris Exposition, for our library to contribute to the American Library exhibit at Paris, such material as will represent the methods and character of work done by the library. As the space allowed for the American Library exhibit at Paris is very limited, it is a special honor and privilege for our library to contribute the material requested, such as bound volumes, catalogues and supplements, labels, cards and photographs. Such material will be on exhibition during seven months in the temporary buildings at Paris, and then it will be permanently preserved in the fire-proof capitol at Albany, N. Y., as a part of the library museum, always open freely for inspection to visitors.

During the past year, ninety volumes were added to the library, by purchase, besides gifts and state and government reports of forty volumes more. The new books have increased the circulation in the last part of the year, as will be seen from figures given below. The number of West Rindge library books given out at the Ingalls library, is more than four times that for any preceding year, showing the benefit of the West Rindge Branch Library.

Among the gifts received by the library, were a set of World's History from Dr. Fred Jones, of New Ipswich, and four framed pictures, reproductions of famous works of art, from Miss Ware.

The "Congregationalist" is loaned to the reading room, and with other loans, it is hereby gratefully acknowledged. There has been the usual call for books for school use, and the number of juveniles circulated is larger than for last year. A number of specimens have been added to the herbarium.

The following table shows the circulation of books and magazines, and the daily average for each month in 1899:

|            | Books.      | Daily Aver. | West Rindge<br>Library. | Unbound<br>Magazines. |

| Magazines, | 485 numbers. | 477 numbers. |
| Juveniles, | 657 volumes. | 671 volumes. |

The largest number of books given out for any one day in 1899 was 55. On account of stormy days last winter, and because of holidays that came on library days, the library was not open as many times in 1899 as formerly, hence the circulation of books is less than it would otherwise have been. During the past year, 58 new names were added to the list of patrons. The number of cards issued to Jan. 1, 1900, is 538.

Respectfully submitted,

EMMA E. LEIGHTON,  
Librarian.
